CASE No. 3:22-cv-02990-SI

If you purchased or otherwise acquired the publicly traded Class A common stock of Okta, Inc. during the period from March 3, 2022 through August 31, 2022, inclusive (the "Class Period"), you may be entitled to a payment from a class action settlement.

A federal court authorized this Notice. This is not a solicitation from a lawyer.

If approved by the Court, the proposed Settlement will create a \$60,000,000 fund, plus earned interest, for the benefit of eligible Class Members, after the deduction of any attorneys' fees and expenses awarded by the Court, Notice and Administration Expenses, and Taxes.¹

The Settlement resolves claims by Lead Plaintiff Nebraska Investment Council ("NIC") and North Carolina Retirement Systems ("NCRS", and, together with NIC, "Plaintiffs" or "Class Representatives") that have been asserted on behalf of the certified Class against defendants Okta, Inc. ("Okta" or the "Company"), Todd McKinnon, Brett Tighe, and Frederic Kerrest (collectively, the "Individual Defendants," and with the Company, "Defendants").

If you are a Class Member, your legal rights are affected whether you act or do not act.

PSLRA SUMMARY OF THE NOTICE

Statement of the Class's Recovery

1. Subject to Court approval, Class Representatives, on behalf of the Class, have agreed to settle the Action in exchange for a payment of \$60,000,000 (the "Settlement Amount"), which will be deposited into an interest-bearing Escrow Account (the "Settlement Fund"). The Net Settlement Fund (defined below) will be distributed to Class Members according to the Court-approved plan of allocation (the "Plan of Allocation" or "Plan"). The proposed Plan of Allocation is on pages __-_ below.

Estimate of Average Amount of Recovery Per Share

2. Based on Class Representatives' consulting damages expert's estimate of the number of shares of Okta Class A common stock eligible to participate in the Settlement, and assuming that all investors eligible to participate do so, Class Representatives estimate that the average recovery would be approximately \$1.17 per allegedly damaged share (before deduction of any Court-approved fees and expenses, such as attorneys' fees and expenses, Taxes, and Notice and Administration Expenses), and approximately \$0.90 per allegedly damaged share after the deduction of the attorneys' fees and expenses discussed below.² Please note, however, that these average recovery amounts are only estimates and Class Members may recover more or less than these estimated amounts depending on their individual trading. An individual Class Member's actual recovery will depend on several factors. These factors are fully explained in the Plan of Allocation beginning on page ___. Please refer to the Plan for information on the calculation of your Recognized Claim.

Statement of Potential Outcome of Case

3. The Parties disagree about both liability and damages and do not agree on the damages that would be recoverable if Class Representatives were to prevail on each claim asserted against

CASE No. 3:22-CV-02990-SI

² An allegedly damaged share might have been traded, and potentially damaged, more than once during the Class Period, and the average recovery indicated above represents the estimated average recovery for each share that allegedly incurred damages.

Defendants. The issues on which the Parties disagree include, for example: (i) whether Defendants made any statements or omitted any facts that were materially false or misleading, or otherwise actionable under the federal securities laws; (ii) whether any such allegedly materially false or misleading statements or omissions were made with the required level of intent or recklessness; (iii) the amounts by which the prices of Okta Class A common stock were allegedly artificially inflated, if at all, during the Class Period; and (v) the extent to which factors such as general market, economic and industry conditions influenced the trading prices of Okta Class A common stock during the Class Period.

4. Defendants have denied and continue to deny any wrongdoing, deny that they have committed any act or omission giving rise to any liability or violation of law, and deny that Class Representatives and the Class have suffered any loss attributable to Defendants' actions. While Class Representatives believe they have meritorious claims, they recognize that there are significant obstacles in the way to recovery.

Statement of Attorneys' Fees and Expenses Sought

5. Class Counsel, on behalf of itself and all Plaintiffs' Counsel,³ will apply to the Court for an award of attorneys' fees from the Settlement Fund in an amount not to exceed 22% of the Settlement Fund, which includes any accrued interest. Class Counsel will also apply for payment of Litigation Expenses incurred by Plaintiffs' Counsel in prosecuting the Action in an amount not to exceed \$410,000, plus accrued interest, which may include an application pursuant to the Private Securities Litigation Reform Act of 1995 ("PSLRA") for the reasonable costs and expenses (including lost wages) of Class Representatives directly related to their representation of the Class in an aggregate amount not to exceed \$60,000. If the Court approves Class Counsel's Fee and Expense Application, the average amount of fees and expenses, assuming claims are filed for all shares estimated to be eligible to participate in the Settlement, will be approximately \$0.27

³ "Plaintiffs' Counsel" are Labaton Keller Sucharow LLP, Adamski Moroski Madden Cumberland & Green LLP, and O'Neill, Heinrich, Damkroger, Bergmeyer & Shultz, P.C., L.L.O.

an estimate.

Reasons for the Settlement

6. For Class Representatives, the principal reason for the Settlement is the guaranteed cash benefit to the Class. This benefit must be compared to the uncertainty of being able to prove the allegations in the Complaint; the risk that the Court may grant some or all of the anticipated dispositive motions to be filed by Defendants; the risks of litigation, especially in complex securities actions like this; as well as the difficulties and delays inherent in such litigation (including any trial and appeals). For Defendants, who deny all allegations of wrongdoing or liability whatsoever and deny that Class Members were damaged, the principal reasons for entering into the Settlement are to end the burden, expense, uncertainty, and risk of further litigation.

9. The Court directed that this Notice be sent to Class Members to inform them of the terms of the proposed Settlement and about all of their options, before the Court decides whether to approve the Settlement at the upcoming hearing to consider the fairness, reasonableness, and adequacy of the Settlement, the proposed Plan of Allocation for the proceeds of the Settlement, and Class Counsel's Fee and Expense Application (the "Settlement Hearing").

10. The Court in charge of the Action is the United States District Court for the Northern District of California, and the case is known as *In re Okta, Inc. Securities Litigation*, Case No. 3:22-cv-02990. The Action is assigned to the Honorable Susan Illston.

2. What is this case about?

11. Okta provides identity and access management ("IAM") software that helps companies secure user authentication in applications, and developers build identity controls within applications, website web services, and devices. Okta primarily markets the Okta Identity Cloud as a one-stop solution that provides data security for an organization's workforce. As alleged in the Complaint, as a data security company, Okta protects its customers from security breaches and maintaining customers' trust was critical to Okta's success. In May 2021, Okta acquired Auth0, Inc. ("Auth0") in an attempt to sustain its high rate of growth. Auth0 provided customer identity and access management ("CIAM") software, as opposed the IAM software that Okta primarily provided for an employer's workforce. As alleged, soon after the close of the acquisition, Okta began to experience severe problems with the integration of Auth0. Then, in January 2022, Okta experienced a data security incident (the "January 2022 Incident"). Lead Plaintiff alleged that, during the Class Period, Defendants failed to disclose the severe problems with the integration of Auth0. Moreover, Lead Plaintiff alleged that Defendants failed to disclose the January 2022 Incident for two months and then failed to disclose that the Company had lost sales as a result of the January 2022 Incident. Lead Plaintiff alleges that the failures to disclose violated Sections 10(b) and 20(a) of the Exchange Act and Rule 10b-5 promulgated thereunder.

CASE No. 3:22-cv-02990-SI

12. The Action was commenced on May 20, 2022, with the filing of a putative securities class action complaint in the Court on behalf of investors in Okta, alleging violations of the federal securities laws against Defendants. By Order dated August 26, 2022, the Court issued an Order appointing NIC as Lead Plaintiff pursuant to the Private Securities Litigation Reform Act of 1995 (the "PSLRA"). By the same Order, the Court approved Lead Plaintiff's selection of Labaton Sucharow LLP (n/k/a Labaton Keller Sucharow LLP) ("Labaton") as lead counsel pursuant to the PSLRA.

- 13. On October 13, 2022, Lead Plaintiff filed the operative Amended Class Action Complaint for Violations of the Federal Securities Laws (the "Complaint"), alleging violations of Sections 10(b) and 20(a) of the Securities and Exchange Act of 1934 (the "Exchange Act"). Among other things, the Complaint alleged that Defendants made materially false and misleading statements and omissions about Okta's integration of Auth0, an acquisition that Defendants claimed would accelerate Okta's growth in the customer identity and access management market and sustain the Company's high growth rate, and the January 2022 Incident. The Complaint further alleged that the price of Okta's publicly traded Class A common stock was artificially inflated as a result of the allegedly false and misleading statements and omissions and that the Company's stock price declined when the alleged truth about Okta's business was allegedly revealed to the market.
- 14. Prior to filing the Complaint, Lead Plaintiff, through Class Counsel, conducted its own investigation relating to the claims, defenses, and underlying events and transactions that are the subject of the Action. This process included reviewing and analyzing: (i) documents filed publicly by the Company with the U.S. Securities and Exchange Commission ("SEC"); (ii) publicly available information, including press releases, news articles, and other public statements issued by or concerning the Company and the Defendants; (iii) research reports issued by financial analysts concerning the Company; (iv) other publicly available information and data concerning the Company; and (v) the applicable law governing the claims and potential defenses. Counsel also identified and contacted approximately 173 former Okta employees and other persons with relevant knowledge, and interviewed approximately 19 of them (nine of whom provided information for use in the Complaint as confidential witnesses "CWs"), and consulted with experts on loss causation, and damages issues.

- 15. On December 1, 2022, Defendants filed a motion to dismiss the Complaint; on January 12, 2023, Lead Plaintiff filed its memorandum of law in opposition to the motion to dismiss; and on February 17, 2023, Defendants filed their reply.
- 16. On March 31, 2023, the Court entered its Opinion and Order granting in part and denying in part Defendants' motion to dismiss the Complaint. As a result of the Opinion and Order, among other things, claims based on alleged misstatements from September 1, 2021 through March 1, 2022 were dismissed, including all of the alleged misstatements regarding the January 2022 Incident, and the case proceeded to discovery with a class period of March 3, 2022 through August 31, 2022. Defendants filed their Answer to the Complaint on May 5, 2023.
- 17. On August 18, 2023, Lead Plaintiff filed its Motion for Class Certification and Appointment of Class Representative and Class Counsel. In September and October 2023, the Parties engaged in discovery related to Lead Plaintiff's motion for class certification. On November 1, 2023, Plaintiffs filed a renewed motion for class certification, which added NCRS as an additional named plaintiff and proposed class representative. Defendants filed a notice of non-opposition to Plaintiffs' renewed motion for class certification on January 17, 2024.
- 18. After Plaintiffs filed their renewed motion for class certification, the Parties began exploring the possibility of reaching a negotiated resolution of the Action. The Parties agreed to participate in a formal mediation and retained David M. Murphy of Phillips ADR to serve as mediator (the "Mediator"). In advance of the mediation, Defendants produced nearly 4,000 documents to Plaintiffs.
- On February 5, 2024, the Court granted Plaintiffs' renewed class certification motion, appointing Plaintiffs as Class Representatives, certifying a class of investors who purchased or

otherwise acquired the publicly traded Class A common stock of Okta during the period of March 1 2 3, 2022 through August 31, 2022, inclusive, and appointing Labaton as Class Counsel. 3 20. On March 25, 2024, the Parties participated in a full-day mediation session before the 4 Mediator. The Parties did not reach an agreement to settle the Action by the conclusion of the 5 full-day mediation session, however, the Parties continued negotiations with the assistance of the 6 Mediator. On April 10, 2024, the Mediator issued a mediator's recommendation, which the 7 Parties accepted on April 16, 2024. The Parties memorialized their agreement to settle the Action in a term sheet executed and finalized on April 29, 2024 (the "Term Sheet"), subject to the 8 9 execution of a formal stipulation and related papers. The Stipulation, which sets forth the terms 10 and conditions of the Settlement and reflects the final and binding agreement between the Parties 11 to settle the Action, was filed with the Court on , 2024 and can be viewed at 12 www. On , 2024, the Court preliminarily approved the Settlement, authorized 13 21. 14 the provision of notice of the Settlement to Class Members, and scheduled the Settlement Hearing 15 to consider whether to grant final approval of the Settlement and related relief. 16 3. Why is this a class action? 17 In a class action, one or more persons or entities (in this case, Class Representatives), 22. 18 sue on behalf of people and entities that have similar claims. Together, these people and entities 19 are a "class," and each is a "class member." Bringing a case, such as this one, as a class action 20 allows one court to resolve many individuals' similar claims that might be too small to bring 21 economically as separate actions. One court resolves the issues for all class members at the same 22 time, except for those who exclude themselves, or "opt-out," from the class. 23 4. What are the reasons for the Settlement? 24 23. The Court did not finally decide in favor of Class Representatives or Defendants. 25 Instead, both sides agreed to a settlement that will end the Action. Class Representatives and 26 27 NOTICE OF PENDENCY OF CLASS ACTION, PROPOSED SETTLEMENT, 28 AND MOTION FOR ATTORNEYS' FEES AND EXPENSES

Class Counsel believe that the claims asserted in the Action have merit, however, Class 1 2 Representatives and Class Counsel recognize the expense and length of continued proceedings 3 necessary to pursue their claims, including complex merits and expert discovery, summary 4 judgment, trial and appeals, as well as the difficulties in establishing liability and damages. More 5 specifically, Class Representatives faced the potential challenges associated with proving that 6 Defendants made material misstatements during the Class Period, that Defendants deliberately 7 misled investors, and that losses suffered by Class Members were caused by misleading 8 statements made by Defendants. In light of the Settlement and the guaranteed cash recovery to 9 the Class, Class Representatives and Class Counsel believe that the proposed Settlement is fair,

24. Defendants have denied and continue to deny any allegations of wrongdoing contained in the Complaint. The Settlement should not be seen as an admission or concession on the part of Defendants. Defendants have taken into account the burden, expense, uncertainty, distraction, and risks inherent in any litigation and have concluded that it is desirable to settle upon the terms and conditions of the Stipulation.

reasonable, and adequate, and in the best interests of the Class.

25. The Court directed that everyone who fits the following description is a Class Member and subject to the Settlement, unless they are an excluded person (see Question 6 below) or take steps to exclude themselves from the Class (see Question 11 below):

All persons and entities who or which, during the period from March 3, 2022 through August 31, 2022, inclusive, purchased or otherwise acquired the publicly traded Class A common stock of Okta and were damaged thereby.

26. Receipt of this Notice does not mean that you are a Class Member. The Parties do not have access to your transactions in Okta Class A common stock. Please check your records or contact your broker to see if you are a member of the Class. If one of your mutual funds purchased Okta Class A common stock during the Class Period, that alone does not make you a

Class Member. You are a Class Member only if you purchased or otherwise acquired Okta Class A common stock during the Class Period.

6. Are there exceptions to being included?

Yes. There are some individuals and entities that are excluded from the Class by definition. Excluded from the Class are: (i) Defendants; (ii) members of the Immediate Families of each Defendant that is an individual; (iii) the officers, directors, and control persons of Okta; (iv) any firm, trust, corporation, or other entity in which any Defendant has or had a controlling interest; and (v) the legal representatives, heirs, affiliates, successors or assigns of any such excluded party. Also excluded from the Class are any persons or entities who or which exclude themselves from the Class by submitting a timely and valid request for exclusion in accordance with the procedures described in Question 11 below or whose request is otherwise allowed by the Court.

THE SETTLEMENT BENEFITS

7. What does the Settlement provide?

28. In exchange for the Settlement and the release of the Released Plaintiffs' Claims against the Released Defendant Parties, Defendants have agreed to fund, or cause to be funded, \$60 million in cash to create a fund, which will accrue interest (the Settlement Fund), to be distributed, after deduction of Court-awarded attorneys' fees and Litigation expenses, Notice and Administration Expenses, Taxes, and any other fees or expenses approved by the Court (the "Net Settlement Fund"), among all Class Members who submit valid Claim Forms that are found to be eligible to receive a distribution from the Net Settlement Fund ("Authorized Claimants").

8. How can I receive a payment?

29. To qualify for a payment, you must be a member of the Class and you must submit a timely and valid Claim Form. A Claim Form is included with this Notice. You can also obtain a Claim Form from the website for the Settlement, www._____.com, or submit a claim

8	other things, whether to finally approve the Settlement. Even if the Court approves the Settlement,
9	there may be appeals which can take time to resolve, perhaps more than a year. It also takes a
10	long time for all of the Claim Forms to be accurately reviewed and processed. Please be patient.
11	
12	10. What am I giving up to receive a payment or stay in the Class?
13	31. If you are a member of the Class, unless you exclude yourself, you will remain in the

Your exclusion request must comply with these requirements in order to be valid.

35. If you ask to be excluded, do not submit a Claim Form because you cannot receive any payment from the Net Settlement Fund. Also, you cannot object to the Settlement because you will not be a Class Member and the Settlement will no longer impact you. However, if you submit a valid exclusion request, you will not be legally bound by anything that happens in the

Action, and you may be able to sue (or continue to sue) Defendants and the other Released Defendant Parties in the future, assuming your claims are timely and actionable. If you have a pending lawsuit against any of the Released Defendant Parties, please speak to your lawyer in the case immediately.

THE LAWYERS REPRESENTING YOU

13. Do I have a lawyer in this case?

36. The Court appointed the law firm of Labaton Keller Sucharow LLP to be the lead counsel representing all Class Members. These lawyers are called "Class Counsel." You will not be separately charged for the work of Class Counsel or any of Plaintiffs' Counsel.⁴ The Court will determine the amount of all Plaintiffs' Counsel's fees and expenses, which will be paid from the Settlement Fund. If you want to be represented by your own lawyer, you may hire one at your own expense.

14. What payment are the attorneys for the Class seeking? How will the attorneys be paid?

37. Plaintiffs' Counsel have not received any payment for their services in pursuing the claims against Defendants on behalf of the Class, nor have they been reimbursed for their litigation expenses. Class Counsel will ask the Court to award it, together with all Plaintiffs' Counsel, attorneys' fees of no more than 22% of the Settlement Fund, which will include any accrued interest. No other attorneys will share in the fee awarded by the Court. Class Counsel will also seek payment of Litigation Expenses incurred by Plaintiffs' Counsel in the prosecution of the Action of no more than \$410,000, plus accrued interest, which may include an application in accordance with the PSLRA for the reasonable costs and expenses (including lost wages) of Class Representatives directly related to their representation of the Class.

⁴ Plaintiffs' Counsel are Class Counsel and Adamski Moroski Madden Cumberland & Green LLP, and O'Neill, Heinrich, Damkroger, Bergmeyer & Shultz, P.C., L.L.O.

5	OBJECTING TO THE SETTLEMENT, THE PLAN OF ALLOCATION, OR THE FEE AND EXPENSE APPLICATION
6	15. How do I tell the Court that I do not like something about the proposed Settlement?
7	39. If you are a Class Member, you can object to the Settlement or any of its terms, the
8	proposed Plan of Allocation, and/or the Fee and Expense Application. You can ask the Court no
10	to approve the Settlement, however you cannot ask the Court to order a different settlement; the
11	Court can only approve or reject this Settlement. If the Court denies approval of the Settlement
12	no payments will be made to Class Members and the Action will continue. If that is what you
13	want to happen, you should object.
14	40. Any objection must be in writing and submitted only to the Court. If you submit a
15	timely written objection, you may, but are not required to, appear at the Settlement Hearing, either
16	in person or through your own attorney. If you appear through your own attorney, you are
17	responsible for hiring and paying that attorney and they must formally appear in the case. Al

reasons for it, including any legal and evidentiary support (including witnesses) the Class Member wishes to bring to the Court's attention; (iii) must state why you are objecting and whether your objection applies only to you, a subset of the Class, or the entire Class; and (iv) must include documents sufficient to prove membership in the Class, including the number of shares of Okta Class A common stock purchased, acquired, and sold during the Class Period, as well as the date, number of shares, and price per share of each such purchase, acquisition, and/or sale. Unless otherwise ordered by the Court, any Class Member who does not object in the manner described in this Notice will be deemed to have waived any objection and will be forever foreclosed from making any objection to the proposed Settlement, the Plan of Allocation, and/or Class Counsel's Fee and Expense Application.

16. What is the difference between objecting and seeking exclusion?

42. Objecting is telling the Court that you do not like something about the proposed Settlement, Plan of Allocation, or Class Counsel's Fee and Expense Application. You can still recover money from the Settlement. You can object *only* if you stay in the Class. Excluding yourself is telling the Court that you do not want to be part of the Class. If you exclude yourself from the Class, you have no basis to object because the Settlement and the Action no longer affect you.

THE SETTLEMENT HEARING

17. When and where will the Court decide whether to approve the proposed Settlement?

43. The Court will hold the Settlement Hearing on _______, 2024 at _______.m. (Pacific), before the Honorable Susan Illston, United States District Court Judge for the Northern District of California, either in person at the Phillip Burton Federal Building & United States Courthouse, 450 Golden Gate Avenue, San Francisco, CA 95113, in Courtroom 1 – 17th Floor or by telephone or videoconference (at the discretion of the Court). At this hearing, the Court will consider whether: (i) the Settlement is fair, reasonable, adequate, and should be finally approved; (ii) the Plan of Allocation is fair and reasonable, and should be approved; and (iii) Class Counsel's

52. To design the Plan, Class Counsel conferred with Class Representatives' damages expert. The objective of the Plan of Allocation is to distribute the Net Settlement Fund equitably among those Class Members who suffered economic losses as a proximate result of the alleged wrongdoing. The Plan of Allocation is not intended to estimate, or be indicative of, the amounts that Class Members might have been able to recover as damages after a trial. Nor are the calculations intended to estimate the amounts that will be paid to Authorized Claimants. The Plan of Allocation measures the amount of loss that a Class Member can claim for purposes of making proportional pro rata allocations of the Net Settlement Fund to Authorized Claimants.

53. For losses to be compensable damages under the federal securities laws, the disclosure of the allegedly misrepresented information must be the cause of the decline in the price of the securities at issue. In this case, Class Representatives alleged that Defendants issued false statements and omitted material facts during the Class Period that allegedly artificially inflated the price of Okta Class A common stock. It is alleged that corrective information released to the market on August 31, 2022, after market close, impacted the market price of Okta Class A common stock on September 1, 2022 in a statistically significant manner and removed alleged artificial inflation from the share price. Accordingly, in order to have a compensable loss in this Settlement, shares of Okta Class A common stock must have been purchased or otherwise acquired during the Class Period and held through August 31, 2022.

CALCULATION OF RECOGNIZED LOSS AMOUNTS

- 54. For purposes of determining whether a Claimant has a Recognized Claim, purchases, acquisitions, and sales of Okta Class A common stock will first be matched on a First In/First Out ("FIFO") basis.
- 55. A "Recognized Loss Amount" will be calculated as set forth below for each purchase or acquisition of Okta Class A common stock during the Class Period from March 3, 2022 through and including August 31, 2022 that is listed in the Claim Form and for which adequate

Consistent with the requirements of the Exchange Act, Recognized Loss Amounts are reduced to an appropriate extent by taking into account the closing prices of Okta common stock during the "90-day look-back period," September 1, 2022 through November 29, 2022. The mean (average) closing price for Okta common stock during this 90-day look-back period was \$54.73.

ADDITIONAL PROVISIONS OF THE PLAN OF ALLOCATION

- 58. If a Claimant has more than one purchase/acquisition or sale of Okta Class A common stock during the Class Period, all purchases/acquisitions and sales shall be matched on a FIFO basis. Class Period sales will be matched first against any holdings at the beginning of the Class Period and then against purchases/acquisitions in chronological order, beginning with the earliest purchase/acquisition made during the Class Period.
- 59. The sum of a Claimant's Recognized Loss Amounts will be the Claimant's "Recognized Claim."
- 60. An Authorized Claimant's Recognized Claim shall be the amount used to calculate the Authorized Claimant's pro rata share of the Net Settlement Fund. If the sum total of Recognized Claims of all Authorized Claimants who are entitled to receive payment out of the Net Settlement Fund is greater than the Net Settlement Fund, each Authorized Claimant shall receive his, her, or its pro rata share of the Net Settlement Fund. The pro rata share shall be the Authorized Claimant's Recognized Claim divided by the total of Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund.
- 61. If the Net Settlement Fund exceeds the sum total amount of the Recognized Claims of all Authorized Claimants entitled to receive payment out of the Net Settlement Fund, the excess amount in the Net Settlement Fund shall be distributed pro rata to all Authorized Claimants entitled to receive payment.

NOTICE OF PENDENCY OF CLASS ACTION, PROPOSED SETTLEMENT, AND MOTION FOR ATTORNEYS' FEES AND EXPENSES Case No. 3:22-cv-02990-SI

- 62. Purchases, acquisitions, and sales of Okta Class A common stock shall be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" or "sale" date. The receipt or grant by gift, inheritance or operation of law of Okta Class A common stock during the Class Period shall not be deemed a purchase, acquisition, or sale of these shares of Okta Class A common stock for the calculation of a Claimant's Recognized Claim, nor shall the receipt or grant be deemed an assignment of any claim relating to the purchase/acquisition of such shares of such Okta Class A common stock unless: (i) the donor or decedent purchased/acquired such shares of Okta Class A common stock during the Class Period; (ii) no Claim Form was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to such shares of Okta Class A common stock; and (iii) it is specifically so provided in the instrument of gift or assignment.
- 63. In accordance with the Plan of Allocation, the Recognized Loss Amount on any portion of a purchase or acquisition that matches against (or "covers") a "short sale" is zero. The Recognized Loss Amount on a "short sale" that is not covered by a purchase or acquisition is also zero.
- 64. In the event that a Claimant has an opening short position in Okta Class A common stock at the start of the Class Period, the earliest Class Period purchases or acquisitions shall be matched against such opening short position in accordance with the FIFO matching described above and any portion of such purchases or acquisition that covers such short sales will not be entitled to recovery. In the event that a Claimant newly establishes a short position during the Class Period, the earliest subsequent Class Period purchase or acquisition shall be matched against such short position on a FIFO basis and will not be entitled to a recovery.
- 65. Okta Class A common stock (CUSIP 679295105/Ticker OKTA) is the only security eligible for recovery under the Plan of Allocation. With respect to Okta Class A common stock purchased or sold through the exercise of an option, the purchase/sale date of the Okta Class A

common stock is the exercise date of the option and the purchase/sale price is the exercise price of the option.

- 66. The Net Settlement Fund will be allocated among all Authorized Claimants whose prorated payment is \$10.00 or greater. If the prorated payment to any Authorized Claimant calculates to less than \$10.00, it will not be included in the calculation and no distribution will be made to that Authorized Claimant.
- 67. Class Members who do not submit acceptable Claim Forms will not share in the distribution of the Net Settlement Fund, however, they will nevertheless be bound by the Settlement and the Order and Final Judgment of the Court dismissing this Action unless they have timely and validly sought exclusion.
- 68. Distributions will be made to Authorized Claimants after all claims have been processed and after the Court has finally approved the Settlement and the Settlement has reached its Effective Date. If any funds remain in the Net Settlement Fund by reason of un-cashed distributions or otherwise, then, after the Claims Administrator has made reasonable and diligent efforts to have Class Members who are entitled to participate in the distribution of the Net Settlement Fund cash their distributions, any balance remaining in the Net Settlement Fund, at least six months after the initial distribution of such funds, shall be re-distributed to Class Members who have cashed their initial distributions in an economical manner, after payment of any unpaid costs or fees incurred in administering the Net Settlement Fund for such re-distribution and Taxes. Any balance that still remains in the Net Settlement Fund after re-distribution(s), which is not feasible or economical to reallocate, after payment of Notice and Administration Expenses, Taxes, and unpaid attorneys' fees and expenses, shall be contributed to Consumer Federation of America, a non-profit, non-sectarian 501(c)(3) organization, or another such organization approved by the Court.
- 69. Payment pursuant to the Plan of Allocation, or such other plan as may be approved by the Court, shall be conclusive against all Claimants. No person shall have any claim against Class

Representatives, Plaintiffs' Counsel, their damages expert, Claims Administrator, or other agent designated by Plaintiffs' Counsel, arising from determinations or distributions to Claimants made substantially in accordance with the Stipulation, the Plan of Allocation approved by the Court, or further orders of the Court. Class Representatives, Defendants, Defendants' counsel, and all other Released Defendant Parties shall have no responsibility for or liability whatsoever for the investment or distribution of the Settlement Fund, the Net Settlement Fund, the Plan of Allocation or the determination, administration, calculation, or payment of any Claim Form or non-performance of the Claims Administrator, the payment or withholding of Taxes owed by the Settlement Fund or any losses incurred in connection therewith.
